

Hydro Guard™ - HDG-RV40045 KDF/CARBON FILTER

Premium Grade

The Hydro Guard™ HDG-RV40045 Filter is a high-performance, multi-purpose filter designed to be used in a wide range of applications. From RV use, to Marine, Garden and Pool use, the HDG-RV40045 KDF/Carbon Filter gives you the flexibility of use for multiple uses.

The Hydro Guard™ HDG-RV40045 Filter offers a robust easy use design powered by premium grade material that address bad taste, odor, sediment, chlorine, and other contaminants of health concern while providing a good flow rate coupled with bacterial control. The Hydro Guard HDG-RV40045 Filter connects to any garden hose, making it convenient and easy to use.

The Hydro Guard™ HDG-RV40045 KDF/Carbon Filter lasts up to 3 months* and is commonly used in applications where higher flow rates are needed.
